BACKGROUND

Data Challenge 5.0 program (DC 5.0) is an initiative organized by the UKM Statistics Club, Faculty of Science and Technology, Universiti Kebangsaan Malaysia (UKM). The programme aims to enhance data literacy and analytical thinking among Malaysian students by providing a platform to apply data-driven approaches in addressing real-world challenges related to sustainable well-being.

With the theme “Data-Driven Insights for Sustainable Well-Being,” Data Challenge 5.0 emphasises the role of data in supporting informed decision-making that enhances quality of life, social resilience, and sustainable development. The programme aligns with Sustainable Development Goals (SDGs) 3, 4, 8, and 12. Through this focus, participants are encouraged to explore how data analytics can contribute to healthier communities, inclusive growth, and responsible societal practices.

Building on the success of previous editions, Data Challenge 5.0 continues to incorporate diverse assessment components, including infographic posters, project summary slides, presentation videos, interactive dashboards, and live pitching sessions. Running from 24 January to 25 April 2026 at UKM, the competition encourages teamwork, creativity and collaboration among students nationwide. Teams of up to five will tackle Environmental, Social and Governance (ESG) issues, exchanging ideas and developing innovative solutions. By engaging with real-world datasets and contemporary challenges, Data Challenge 5.0 aims to nurture future leaders who are capable of leveraging data to support sustainable development, enhance societal well-being, and contribute meaningfully to national and global progress.

Main organizer:

ELEMENTS OF COMPETITION

Participants are required to prepare and submit the following materials as part of their competition entry. Each element will be evaluated based on creativity, clarity of presentation, and adherence to the given theme. The competition elements are as follows:

(A) INFOGRAPHIC POSTER
(B) PROJECT SUMMARY SLIDES
(C) DASHBOARD
(D) VIDEO PRESENTATION
(E) LIVE PITCHING

RULES AND REGULATIONS

RULES AND REGULATIONS OF THE COMPETITION

1) This competition is open to all undergraduate students, including diploma and degree students, from both public (IPTA) and private (IPTS) higher education institutions across Malaysia. Each team must consist of **three (3) to five (5) students** from the same institution and must be supervised by **one (1) academic mentor** from their respective institution.
2) Each team is required to submit the following **four (4) components**: infographic poster, project summary slide, presentation video, and interactive dashboard.
3) The **primary dataset** used in the project must originate from **Malaysia or any ASEAN country**. Datasets from countries **outside the ASEAN region are strictly not permitted**. All datasets must be obtained from **trusted, authentic, and official sources** (e.g. government portals, international organisations, or recognised institutions). All data sources must be **clearly stated and properly referenced** in both the infographic poster and project summary slide.

Main organizer:

4) Projects must align with the theme **Data-Driven Insights for Sustainable Well-Being** and address at least **two (2)** of the following Sustainable Development Goals (SDGs):

   SDG 3: Good Health and Well-being

   SDG 4: Quality Education

   SDG 8: Decent Work and Economic Growth

   SDG 12: Responsible Consumption and Reduction

   Any project that does not comply with the competition theme or fails to demonstrate clear relevance to sustainable well-being **will result in immediate disqualification and will not proceed to any stage of evaluation.**

5) All documents and presentation materials must be submitted in **English**.

6) All competition materials must be submitted **on or before 29 March 2026 (Sunday), by 10:00 p.m.**, via the Google Drive platform provided by the organiser. Late submissions will result in a **10% deduction from the total marks**.

7) Competition Phases

   - **Phase 1**: Evaluation based on the four (4) submitted components.
   - **Phase 2: The top 20 teams** from Phase 1 will be shortlisted to participate in a live pitching session on **25 April 2026 (Saturday)**.

GUIDELINES

GUIDELINES FOR INFOGRAPHIC POSTERS, SLIDES, PRESENTATION VIDEOS, DASHBOARDS AND PITCHING SESSIONS

INFOGRAPHIC POSTERS

1) Size : A3 (3508 × 4961 pixels)
2) File Format : PDF
3) File Naming Format : GroupName_PosterDC5
4) Contents:
   - ❖ Project title
   - ❖ Group name and participants' short names
   - ❖ Project findings (visuals such as charts, graphs, tables, and key insights)
   - ❖ **Mandatory logos:** UKM Logo, UKM Watan Logo, UKM Statistics Club Logo, Data Challenge 5.0 Logo and Relevant SDG logo(s) associated with the project. The organizer will provide guidelines for logo placement and arrangement.
   - ❖ Participants are free to design their infographic posters creatively, as long as required elements are included.
   - ❖ **Logos of participants' own universities or institutions are strictly NOT allowed** to avoid bias during evaluation.

   Participants may refer to sample posters provided in the Reference section: https://statistikukm.weebly.com/reference.html

Main organizer:

PROJECT SUMMARY SLIDES

(Description : This summary slide serves as the final project report. Therefore, the project summary slide should contain the entire project findings and be understandable.)

1) File Format : PDF
2) File Naming Format : GroupName_SlideDC5
3) Number of Slides : Maximum 25 slides (including title and cover slides)
4) Contents:
    - ❖ Project title and group name.
    - ❖ Participants' full name, matric number (for UKM students only)
    - ❖ **Mandatory logos:** UKM Logo, UKM Watan Logo, UKM Statistics Club Logo, Data Challenge 5.0 Logo and Relevant SDG logo(s) associated with the project. The organizer will provide guidelines for logo placement and arrangement.
    - ❖ **Logos of participants' own universities or institutions are strictly NOT allowed** to avoid bias during evaluation.
    - ❖ Introduction
    - ❖ Objectives
    - ❖ Methodology
    - ❖ Data analysis findings
    - ❖ Conclusion
    - ❖ References

VIDEO PRESENTATION

1) Format : Participants must submit a PDF document containing the link to the video presentation
2) Platform: **Youtube** (Privacy setting: **Unlisted**)
3) File Naming Format : GroupName_VideoDC5
4) Time Duration : Maximum 10 minutes
5) All group members must appear and participate in the video
6) Content :
    - ❖ Present the overall project idea clearly and coherently
    - ❖ Clearly explain the project objectives and their relevance to the competition theme
    - ❖ Communicate the key insights and findings derived from the analysis
    - ❖ Use supporting slides and/or the interactive dashboard to illustrate results and strengthen explanations
7) Participants are encouraged to demonstrate creativity in video production, including storytelling, visual presentation, and effective communication, while maintaining clarity and professionalism.

Main organizer:

DASHBOARD

1) Format : Participants must submit a PDF document containing the link to the interactive dashboard or alternative materials
2) File Naming Format : GroupName_DashboardDC5
3) Any platform may be used (e.g., Power BI, Tableau, Looker Studio, etc.)
4) Content :
    - ❖ The dashboard must include all relevant data analysis findings
5) Submission Options

    Option 1: Preferred Submission
    - ❖ Submit a publicly accessible link to a live interactive dashboard
    - ❖ No video demonstration is required for this submission format

    Option 2: Alternative Submission

    If the selected dashboard platform does not support public sharing, participants may submit:
    - ❖ A screen-recorded video demonstration (maximum **3 minutes**)
    - ❖ A PDF version of the dashboard

      Video Demonstration Guidelines:
        - Screen recording only
        - No voiceover, captions, or explanatory text.
        - The video must clearly demonstrate dashboard interactivity, such as filters, drill-downs, buttons, or dynamic visuals.
        - The video must be recorded in clear and high-quality resolution to ensure all interactive elements, text, and visuals are easily readable by the evaluators.

    Note: Alternative submissions may affect the **usability and interactivity** criteria score as outlined in the evaluation rubric.

PITCHING SESSION (TOP 20 SELECTED GROUPS)

(Description : Participants will pitch based on the submitted infographic poster or other pitching materials can be uploaded via Google Drive link that will be provided)

1) Date : 25 April 2026 (Saturday)
2) Time : 8:30 am - 5:00 pm
3) Venue : Dewan Kuliah Besar 2 (DKB 2) Bangunan Kedekanan Fakulti Sains dan Teknologi, Universiti Kebangsaan Malaysia
4) Pitching Duration : Maximum 5 minutes
5) Q&A session : Maximum 3 minutes

The pitching session will be presented by a maximum of two representatives.

Main organizer:

EXHIBITION (TOP 20 SELECTED GROUPS)

(Description : The organizers will print and display the participants' A3-sized infographic posters. Exhibition space and basic support tools will be provided; any additional equipment is the responsibility of the participants.)

1) Infographic Poster Size : A3
2) Date : 25 April 2026 (Saturday)
3) Time: 9:00 am - 10:30 am (Session 1)
   10:30 am - 12:00 pm (Session 2)
4) Venue: Persada FST

PRIZE MONEY

Prize pool: RM3,000+

COMPETITION PATHWAY

IMPORTANT DATES	PROGRAM
17 JANUARY 2026	PROGRAM ANNOUNCEMENT
24 JANUARY - 18 FEBRUARY 2026	OPEN REGISTRATION
21 FEBRUARY 2026	OPENING CEREMONY
21 FEBRUARY - 29 MARCH 2026	COMPETITION KICK OFF
2 APRIL - 15 APRIL 2026	EVALUATION (JURY)
17 APRIL - 18 APRIL 2026	TOP 20 FINALIST ANNOUNCEMENT
25 APRIL 2026	LIVE PITCHING AND CLOSING CEREMONY
